Dear Brett,

Enclosed please find a package of information (two copies) on EXP, the MEP/FP Engineers we have engaged for the design of the redevelopment of the OPO.

EXP is a large Engineering Firm and has a broad level of experience in private as well as public projects, including the GSA. Their extensive background in hospitality design, as well as significant expertise in LEED certified projects and sustainable design make them an excellent fit to the redevelopment of the Old Post Office.

If you have any questions, or would like to meet EXP's team for the project please let us know.

**Re: Written Notification to Extend Lease Negotiations Deadline**  
Redevelopment of the Old Post Office Building  
GSA Solicitation Number NR-73002105 – March 24, 2011

Dear Ms. Trump:

On February 27, 2012, the Government issued The Trump Organization "Written Notice to commence with the lease negotiations" as provided in Solicitation Number NR-73002105, under part V – Selection Process, Schedule and Evaluation Criteria, sub-part A – Selection Process. This provision further required that "the parties agree to execute a LA within 365 calendar days but, except as otherwise provided..." "Should the parties fail to execute a LA within this time period for any reason, the parties may bilaterally agree to an extension of time".

Although we have made significant progress in negotiations on the terms and conditions of the lease agreement, it is obvious given the many complexities that go into a deal of this nature, with a term of 60 years, involving a building listed on the National Register of Historic Places and the many other circumstances to be addressed, that an extension of time be granted by mutual consent.

The Government hereby proposes an extension of the deadline to execute the lease agreement (LA) to April 1, 2013. Provided you are in agreement, please countersign on the line provided below and return to my attention at your earliest convenience. Please feel free to contact me at (202) 708-4600 or by email to [kevin.terry@gsa.gov](mailto:kevin.terry@gsa.gov) with any questions.

Very Truly Yours,

Dear Mr. Terry,

As discussed, Trump Old Post Office LLC and Colony Capital, LLC (Colony) have formally agreed that Trump should move forward with the redevelopment of the Old Post Office without Colony. This will not affect the project in any way as Trump was always the managing member in charge of design, development, branding, and, operations. Rather, this decision provides us the flexibility to respond to some of the GSA's requests for inclusion in the lease, including a long term commitment to ownership, as well as better serving our own goal of developing the finest hotel in the country.

Please countersign on the line provided below and return to my attention at your earliest convenience. Please feel free to contact me at (212) 715-7256 or by email to itrump@trumporg.com.
